

Africa

Toto

Verse

I hear the drums echoing tonight
But she hears only whispers of some quiet conversation
She's coming in, 12:30 flight
The moonlit wings reflect the stars that guide me to-
wards salvation
I stopped an old man along the way
Hoping to find some long forgotten words or ancient
melodies
He turned to me as if to say, "Hurry boy, it's waiting
there for you"

I seek to cure what's deep inside, frightened of this
thing that I've become

Chorus

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever
do
I bless the rains down in Africa
Gonna take some time to do the things we never had

Hurry boy, she's waiting there for you

Chorus

It's gonna take a lot to take me away from you
There's nothing that a hundred men or more could ever
do
I bless the rains down in Africa
Gonna take some time to do the things we never had

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever
do

I bless the rains down in Africa
I bless the rains down in Africa
(I bless the rain)

Verse

The wild dogs cry out in the night
As they grow restless, longing for some solitary company
I know that I must do what's right
As sure as Kilimanjaro rises like Olympus above the
Serengeti

I bless the rains down in Africa
(I bless the rain)
I bless the rains down in Africa
I bless the rains down in Africa
(Ah, gonna take the time)
Gonna take some time to do the things we never had
