

Black Velvet

Alannah Myles

Verse

Mississippi in the middle of a dry spell
Jimmy Rogers on the Victrola up high
Mama's dancin' with baby on her shoulder
The sun is settin' like molasses in the sky
The boy could sing, knew how to move, everything
Always wanting more, he'd leave you longing for

Chorus

Black velvet and that little boy's smile
Black velvet with that slow southern style
A new religion that'll bring you to your knees
Black velvet if you please

Verse

Up in Memphis the music's like a heatwave
White lightning, bound to drive you wild
Mama's baby's in the heart of every school girl
"Love me tender" leaves 'em cryin' in the aisle
The way he moved, it was a sin, so sweet and true
Always wanting more, he'd leave you longing for

Chorus

Black velvet and that little boy's smile
Black velvet with that slow southern style
A new religion that'll bring you to your knees
Black velvet if you please

Bridge

Every word of every song that he sang was for you
In a flash he was gone, it happened so soon, what could
You do?

Chorus

Black velvet and that little boy's smile
Black velvet with that slow southern style
A new religion that'll bring you to your knees
Black velvet if you please
Black velvet and that little boy's smile
Black velvet with that slow southern style
A new religion that'll bring you to your knees
Black velvet if you please
If you please, if you please, if you please
